

# Four-Year Planning Worksheets

This form is provided to help students and families plan for required courses and to prioritize electives for each school year.

Ballston Spa High School offers a variety of academic programs. It is important to take the time to review options that may be available to you in high school so that you can make the best choices based on your academic talents, interests, needs and career goals. This Program Planning Guide provides detailed information on Advanced Placement (AP) and College/University in the High School (CHS/UHS) offerings, our International Baccalaureate Diploma Programme (IBDP), our Clean Technologies & Sustainable Industries Early College High School (ECHS), and Career and Technology Education (CTE) career pathways. Take the time to read course/program descriptions and make informed decisions when selecting courses.
