

Dear BSCSD Parents and Caregivers:

Thank you to all who took the time to respond to our survey that was sent out earlier today. As it currently stands, with nearly 1,100 responses received already, 97% are in favor of no longer requiring masks while outside on our campuses. As a result, and with the support of the Board of Education and our district physician, effective today, Tuesday, June 8, the Ballston Spa Central School District will no longer require masks to be worn by students, staff, or visitors while they are outdoors on our campuses including for interscholastic sports. This does not preclude anyone who chooses to wear a mask from doing so and staff including coaches are to allow for this.

All students, staff, and visitors must still wear masks while indoors in our school buildings and district facilities and while on our school buses.

Ken Slentz
Superintendent of Schools
Ballston Spa CSD
