

The Robots Are Coming!

FIRST Robotics Competition

The FIRST Robotics Competition: Transforming our culture by creating a world where science and technology are celebrated, and where young people dream of becoming science and technology leaders. www.usfirst.org

Rensselaer Polytechnic Institute is proud to host the inaugural

NY Tech Valley Regional FIRST Robotics Competition

on March 13-15 at the East Campus Athletic Village Arena on the RPI campus. It's free and open to the public. Make plans now to experience the only sport for the mind!

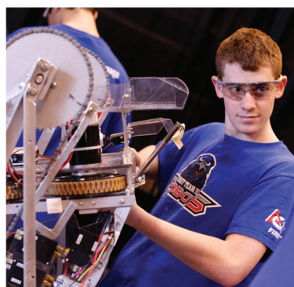

At this fast-paced robotics event you can:

- Watch 120 lb. robots compete in 3-on-3 matches
- Witness complex student designed and built robots from 38 teams who will travel from as far away as Istanbul, Turkey
- See teamwork, gracious professionalism, and cross-team Coopertition™ in action
- Become inspired and get excited about STEM!
