BSATA, BSTA, CSEA, Student Council, and PTA

BSTA announced they had awarded Spencer Morin with a scholarship during the Senior Awards Night, and also announced that tickets were available for the School Pride Day BBQ that raises funds for the scholarship.

Student Council gave a presentation on the street fair planned to replace the homecoming parade and opined that this would be an opportunity to create a more interactive event. They went on to discuss safety, layout and a timetable of events.

Student Council still expects to have competition between each class with an opportunity for the community to vote on the best carnival game, and local businesses would be encouraged to have games and food booths. Plans for decorations and clean up were discussed by Student Council, as well as plans for a rain date or the possible use of the gym and/or cafeteria.

The board gave suggestions to Student Council on the planning of the event.

Student Council announced meeting with the Middle School Student Council to discuss unifying homecoming events not just with each other, but throughout the district buildings for this event.
