Resolution #136 - SEQRA

WHEREAS, the Board of Education of the Ballston Spa Central School District ("Board") is considering to undertake a small project involving the renovation of certain building improvements consisting of renovation of the building entrance at each school identified below consisting of the construction of an approximately 80 square foot addition to each entrance vestibule, removal of existing exterior wall glazing to connect the addition to the existing corridor, installation of a security window to the connected entry, upgrade interior vestibule door hardware to provide for a locking function with an electric release on the door(s), and any associated work all at the one school building housing the Milton Terrace and Wood Road Elementary Schools, 200 and 300 Wood Road, Ballston Spa, New York ("the Proposed Action" or "Project"); and,

WHEREAS, the Board wishes to fully comply with its obligations under the State Environmental Quality Review Act ("SEQRA") and the regulations thereunder with respect to the proposed action; and

Ballston Spa Board of Education
Wednesday, September 5, 2018

WHEREAS, the Board has carefully considered the nature and scope of the proposed action; and

WHEREAS, upon review of the foregoing, the Board makes the following determinations:

1. The proposed action involves a small project involving the renovation of certain building improvements consisting of renovation of the building entrance at each school identified below consisting of the construction of an approximately 80 square foot addition to each entrance vestibule, removal of existing exterior wall glazing to connect the addition to the existing corridor, installation of a security window to the connected entry, upgrade interior vestibule door hardware to provide for a locking function with an electric release on the door(s), and any associated work all at the one school building housing the Milton Terrace and Wood Road Elementary Schools, 200 and 300 Wood Road, Ballston Spa, New York (“the Proposed Action” or “Project”).

2. The proposed Project represents maintenance or repair involving no substantial changes in an existing facility or structure within the meaning of 6 NYCRR 617.5(c)(1); and/or alternatively the replacement, rehabilitation or reconstruction of a structure or facility in kind within the meaning of 6 NYCRR 617.5(c)(2); and/or alternatively a routine activity of an educational institution, including expansion of existing facilities by less than 10,000 square feet of gross floor area, within the meaning of 6 NYCRR § 617.5(c)(8).

3. The proposed action will in no case have a significant adverse impact based on the environment based on the criteria contained in 6 NYCRR § 617.7(c), and is not otherwise a Type I action as defined by 6 NYCRR § 617.4.

4. The proposed action is a Type II action within the meaning of 6 NYCRR 617.5 and is therefore not subject to review under SEQRA and the regulations thereunder.

NOW THEREFORE BE IT RESOLVED, that the Board finds and concludes that the proposed action is a Type II action within the meaning of 6 NYCRR 617.5 and therefore is not subject to review under SEQRA and the regulations thereunder.

RESOLVED, that a copy of this Resolution shall be sent to the any involved or interested agencies.
