CALL TO ORDER

Dorothy Sellers called the Public Hearing on the District Wide Safety Plan to order at 6:45pm.

PRESENTATION ON DISTRICT WIDE SAFETY PLAN

Ed Martin presented the District Wide Safety Plan. He stated a plan was required for every school district in NY and that the document was assessable on the district website.

Mr. Martin gave the background on the plan and stated that there were no changes to the plan this year. He stated both the District and the Buildings had safety plans and that the Building Safety Plans had more specific information than the District Safety Plan.

Mr. Martin stated the Safety Team brought everyone together, and that the district is in compliance in regard to various laws. Mr. Martin discussed the Safe Legislation and the requirements that come from the legislation.

Mr. Martin stated the Safety Plans assure parents there are procedures in place for large scale catastrophes and credible threats. He stated all district resources would be fully mobilized when warranted.

Mr. Martin explained how the BLT and administration share information with the building.
