Ballston Spa Central School District - Introduction

District Description

The Ballston Spa Central School District currently serves approximately 4,300 students from Pre-kindergarten through grade 12. Located in the heart of New York's "Tech Valley" (approximately 25 minutes north of Albany and 5 minutes south of Saratoga Springs), the area has been growing, both in residential and commercial development. As of the 2015 census, the 12020 zip code has over 31,000 residents spanning the 65 square miles of the district's boundaries. A diverse socioeconomic population resides within our suburban district, which encompasses portions of the Towns of Milton, Malta, Ballston, and Charlton and the Village of Ballston Spa. Over 140,000 people live within 15 minutes of Ballston Spa, supporting and working at over 5,500 businesses.

The District includes four elementary schools (grades Pre-K-5), which include Milton Terrace Elementary School, Gordon Creek Elementary School, Malta Avenue Elementary School and Wood Road Elementary School; Ballston Spa Middle School (grades 6-8) and Ballston Spa High School (grades 9-12).

Ballston Spa Central School District Mission

The Ballston Spa Central School District is committed to providing an excellent education that maximizes the potential of each student. In partnership with the family and community, our students will become responsible and well-rounded adults.

"A Meaningful Diploma for All Students"

K-12 School Counseling Program Foundation Overview

The Ballston Spa Central School K-12 School Counseling Plan has been developed in compliance with the New York State Education Department Commissioner's Regulations 100.2(j) and in alignment with the Ballston Spa Central School District's Board of Education Mission Statement and Student Exit Standards. As per the New York State Education Department Commissioner's Regulations, The New York State Career Development and Occupational Studies (CDOS) Standards, The American School Counselor Association (ASCA) National Standards for School Counseling Programs, The American School Counselor Association Ethical Standards for School Counselors, and the New York State School Counselor Association Guidance Program guidelines. Per NYS Education Department Commissioner's Regulations this plan will be reviewed and updated annually.

Ballston Spa Central School District Counseling Department Mission Statement

The mission of the Ballston Spa K-12 school counseling program is to promote high standards and expectations that challenge all students across academic, personal, social-emotional and career domains and to inspire students to learn, excel and become responsible and well-rounded adults.

Through a comprehensive developmental school counseling program the professional school counselors will implement a curriculum promoting a positive, safe, respectful and culturally sensitive environment which enhances the learning process. Working in collaboration with educators, teachers, parents, guardians and the community, school counselors will facilitate programs that enable students to increase their ability to independently problem solve and think critically and to be productive members of a global society.

The School Counselors in the Ballston Spa School District believe:

- All students have the right to be treated with respect as unique individuals regardless of ethnic/racial status, age, economic status, or special needs.
- All students have the right to participate in a comprehensive school counseling program that is planned to assist them in becoming effective communicators; academically skilled; productive and versatile thinkers; skilled

information managers; productive workers; personally and interpersonally skilled; responsible citizens of their community, nation, and world; self-directed learners; and physically and mentally healthy.

- All students in grades K-12 shall have access to a full-time, state certified, masters-degree-level school counselor to deliver the counseling program.

The School Counselors in the Ballston Spa Central School District are committed to:

- Maintaining the high standards of integrity, leadership, and professionalism established in the ethical standards developed by the American School Counselor Association and adapted by the New York State School Counselor Association
- Participating in professional training and staff development that is ongoing, planned, purposeful, and collaboratively developed

Ballston Spa's comprehensive School Counseling program:

- Is based on specific goals and measurable competencies to meet student needs in areas of academic, career, and character development domains and is planned to include School Counseling curriculum, individual planning, responsive services, and system support in its delivery system.
- Provides activities to meet the developmental needs of all students grades K-12 with a focus on Skills for the 21st Century that include; critical thinking, problem solving, use of information and communications technology, global awareness, civic literacy, financial literacy, and health awareness.
- Supports a safe environment, improved behavior and decrease in violent incidents, increased positive self-awareness, reduced drop-out rates, better understanding of the importance of learning, and improved problem solving strategies.
- Includes activities to increase the academic success of students K-12 identified by the Committee on Special Education who are in jeopardy of making adequate progress toward graduation.

- Is conducted in concert with faculty, family, and other individuals who are instrumental to the well-being and overall academic achievement of all students.
- Is planned and implemented by the BSCSD School Counseling team who will monitor students' progress and is delivered in collaboration with all stakeholders at the building level.
- Is supervised and evaluated by the Director of Student Support Services.

Ballston Spa Central School District Counseling Department Vision Statement

The vision of the Ballston Spa K-12 school counseling program is for all students to earn a meaningful diploma and for all students to achieve high levels of academic success and learning while fostering positive social -emotional growth. Students will be provided opportunities to meet the challenges of the global workforce, be college and career ready, self-sufficient, critical thinkers and able to problem solve independently. Students will learn how to achieve personal success and be self motivated to become productive, responsible, compassionate and contributing members in their community. School Counselors will encourage an atmosphere that allows students to achieve their full potential. We hold a vision that students will leave Ballston Spa CSD able to:

- ***Read well*** – because we intentionally, explicitly, and systematically taught them to
- ***Write well*** – because we intentionally, explicitly, and systematically taught them to
- ***Think well*** – because we intentionally, explicitly, and systematically taught them to
- ***Learn well*** – because they can read, write, and think well
 - ***ACROSS ALL CONTENT AREAS and IN A VARIETY OF SETTINGS***
- ***Be well*** – physically, socially, emotionally, and mentally because we know and support our kids
- ***Be citizen-ready*** – because of the opportunities and experiences that we provide them both in school and in the community

Ballston Spa CSD - School Counseling Program Management Overview

Planned Programming

Each school year, school counselors will develop a counseling department plan in collaboration with building and district administration. All students will be assigned a school counselor in order to allow for all students to benefit from having access to the school counseling program in each building. These plans will include:

- classroom lessons
- individual planning/programming
- individual and group counseling sessions
- responsive services
- program development and implementation
- school support
- building management

Use of Time

School Counselors realize the importance of spending a majority of their time working directly with the student body. This includes trying to adhere to the recommended 80% delivery time to be spent on direct/indirect services. Below, we have mapped out our planned/organized time to be spent with students. We will evaluate annually our progress and achievement in this area.

Service	Percent of time		
	Elementary School	Middle School	High School
Direct Services to Students	65%	60%	50%
Indirect Services for Students	15%	20%	30%
Program Planning	10%	10%	10%
School Support	10%	10%	10%

Ballston Spa CSD- School Counseling Program Delivery Overview

Direct Student Services

School Counseling Core Curriculum

This component provides all students the knowledge and skills appropriate to their development level through a collaborative model of delivery which involves the school counselor, classroom teachers, and other appropriate education professionals, and including prevention and pre-referral activities.

Individual Student Planning/Programming

Individual planning with all students to assist in establishing individual goals and developing future plans through coordinated, ongoing systemic activities, including personalized, individual goal setting and parent involvement.

Responsive Services

Supportive, short-term counseling with the goal of facilitating the educational functioning or academic achievement of all students. This component consists of activities that meet immediate needs and concerns that may require counseling, consultation, referral, or information.

Indirect Services

All district-wide counselors will work closely with parents, community members, teachers, and other educators. Through this collaborative effort, school counselors will be able to advocate and provide additional supports to students through weekly, monthly, and yearly meetings about student success. This will involve communications with all interdisciplinary activities.
