□ Entrepreneurship/Business Administration   □ Polysomnography   □ Surgical Technology

Why: _____

Why do you want to enroll in this program? (200 word limit)

(Complete on a separate page, and attach.)

Parent Information

I agree that my child may enroll in the Clean Technologies & Sustainable Industries Early College High School Program. I understand that the academic calendar for students will be different than my child's home school calendar and that my child will attend a summer bridge program in July prior to their 9th grade year and a one week summer bridge program between 9th and 10th grade. I also realize that students participating in the program must be enrolled as a non-matriculated student at Hudson Valley Community College and that his/her grades in the college level classes will become part of his/her college transcript. I realize the transfer of college credits is dependent upon individual majors.

Parent/Guardian Signature: _____   Date: _____

Clean Technologies and Sustainable Industries Early College High School Program
Application for Admission in 2024-2025
