

Clean Technologies and Sustainable Industries Early College High School Program

WHERE ARE THEY NOW?

Alumni have attended over 55 different colleges & universities!

Adirondack Community College
Alfred University
Allegheny College
Binghamton University
Cedarville University
Champlain College
Clarkson University
College of Nanoscale Science & Engineering
Cornell University
Drexel University
Embry Riddle Aeronautical University
Green Mountain College
Herkimer County Community College
Hudson Valley Community College
Keene State College
Lyndon State College
Marist College
Middlebury College
Mohawk Valley Community College

Monroe Community College
Motlow Community College
Northeastern University
Oregon Institute of Technology
Oregon State University
Pace University
Paul Smith's College
Pennsylvania State University
Philadelphia University
Rochester Institute of Technology
Sage College of Albany
Siena College
St. John Fisher College
St. Lawrence University
SUNY Brockport
SUNY Canton
SUNY Cobleskill
SUNY College of Environmental Science
& Forestry
SUNY Polytechnic Institute

SUNY Potsdam
The Citadel
Union College
SUNY Delhi
SUNY Oneonta
SUNY Oswego
SUNY Plattsburgh
United States Merchant Marine Academy
at Kings Point
University at Albany
University at Buffalo
University at Colorado at Boulder
University of New Hampshire
University of New Haven
University of Prince Edward Island
University of Rochester
University of South Carolina
University of Tampa
Utica College
Western New England University

WHAT ARE THEY MAJORING IN?

While some students continue coursework in their pathway (Clean Energy, Computer Science, Entrepreneurship, Mechatronics), some pursue other majors, including:

Aboriculture & Landscape Management
Aeronautical Engineering
Aerospace Engineering
Astronomy
Biochemistry
Bioengineering
Biological Sciences
Biology
Biomedical Engineering
Business Management
Civil & Environmental Engineering
Communication & Creative Media
Computer Security
Criminal Justice

Electrical Construction
Electrical Engineering
Embedded Systems & Control
Engineering Science
Environmental Policy
Environmental Resources Engineering
Environmental Science
Film
Heating Ventilation & Cooling
Individual Studies
International Business
IT Networking
Liberal Arts & Sciences

Marine Engineering
Marketing
Math
Mechanical Engineering Technology
Music Industry
Nanotechnology
Natural Resource Management
Nursing
Physics
Pre-Law
Psychology
Therapeutic Horsemanship
Visual Communication Design
Zoology

When asked what skills they learned and are using in their college coursework, they said:

Collaboration
College readiness
Communication
Coping skills
Critical Thinking
Curiosity

Independence
Organization
Perseverance
Problem solving
Public speaking

Research skills
Self advocacy
Study habits
Technical skills
Time management
