this in one sitting and thoroughly enjoyed it. Check it out!

of a young Metis girl on the cusp of adulthood living in the Canadian prairies and she navigates family, friends, and love.

the healing power of art. I cannot wait to read this one!

New! New! New!

We have so many new books coming into the library on a regular basis in hard copy, eBook, or audiobook. Believe it or not, we have EVEN MORE books that are new this month! Come check out our NEW new book display directly in front on the table when you first walk in or look in Sora. Looking for something we don't have? Fill out the resources request form below (or on the library website) and let us know!

Puzzling is still going strong! We completed our puzzle of New York City and have now embarked on an adorable cat puzzle. We also have two chessboards that have been very popular. Come on down to play some chess or help with the puzzle!

Makerspace for April

Come participate in our April makerspace. Stop in to make a paper flower out of tissue paper and pipe cleaners to celebrate Spring! Coach O made this one and we think it's fabulous! You can also create a corner bookmark or color a bookmark to use while you are reading one of our wonderful books. All supplies are provided!

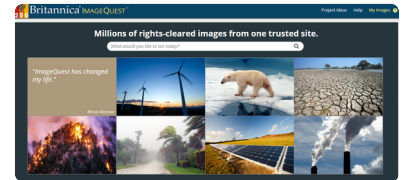

Did You Know?

Our very own Emily Townsend is now a certified librarian! Please stop in and congratulate Emily on her achievement. She has worked so hard to both take classes at UB and work as a TA in our library, and we are so lucky to have her. Yay Emily!

Database of the Month

Britannica Image Quest is a wonderful resource to find millions of royalty free images that students and staff can use for free for educational purposes. You can find this database on [Library.fyi](https://www.library.fyi) under "General Information." Check it out!

Collaboration Corner

In March, Mr. Walterich and Mrs. Wehr's students spent 3 weeks in the library researching for a paper on any topic they wanted. We worked on evaluating sources, investigating ideas, creating a thesis, accessing and using databases, searching tips and tricks, notetaking, and citations. The students picked some really interesting topics and we all learned a lot! Contact me if you are interested in exploring this with your students.

We had many other exciting projects this month as well! Contact me if you need me to pull resources, want me to teach a lesson, are interested in some book talks, or if you want to collaborate on a multi-class project! There is nothing too big or too small.
