New! New! New!

We have lots of great new magazines coming in this year. You can find them in the magazine tower next to the copier. Come down and read Bon Appetit, Car and Driver, Consumer Reports, Cooks Illustrated, Food Network Magazine, National Geographic, New Yorker, People, Popular Mechanics, Sports Illustrated, Time, or US Weekly. Feel free to read them while you are here, but please return them when done and do not remove them from the library so everyone can enjoy.

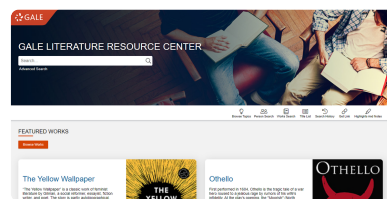

Makerspace for September

Come participate in our September makerspace. Come on in and color your very own bookmark! This is a very simple craft that is super cute and will help you keep your place in all your fabulous books!

Resource of the Month

Literature Resource Center is a BRAND NEW TO US database that provides comprehensive online database for literary criticism, analysis, biographies, and more. You can find this database on Library.fyi under "ELA." Check it out!

[+ Add library](#)

You can add other libraries to your Sora account! I HIGHLY recommend adding NY Reads, which is completely free and doesn't require a library card. Select the three lines in the upper right hand corner of Sora and under "Libraries," select "+ Add library." Search for another library (public, NY Reads, etc) using the search bar. Search "NY Reads" and select it from the drop-down menu. The library you added will now be added as a library under your "Libraries." To ensure Sora shows you results from all your added libraries, select the three lines in the upper right hand corner of Sora, scroll down to "Settings" and select "All Settings," and under "General" toggle on "Search All Libraries" so that it appears

blue with a check mark.

Summer Bingo!

Don't forget to turn in your Summer Reading Bingo boards (or let us know you finished it). Anyone who finished it will get candy! Everyone will also be entered into a raffle to win one of three hand beaded (by me!) bookmarks. Please turn in all bingo boards by September 15.

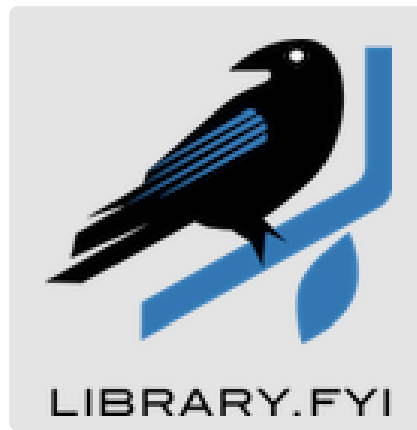

Collaboration Corner

None yet :) This is your reminder to come on down and get scheduled for any and everything! Contact me if you need me to pull resources, want me to teach a lesson, are interested in some book talks, or if you want to collaborate on a multi-class project! There is nothing too big or too small.
