

7133	Placement of Students for Instruction
-------------	--

The learning experiences of each student of the Ballston Spa Central School District should promote continuous progress throughout the student's school career.

School administrators shall determine student classroom and/or course placement in such a way so as to provide an environment appropriate to each student's individual learning needs in a least restrictive and most enabling environment consistent with applicable laws and regulations.

In the event a conflict exists as to the most appropriate placement of a student, the ultimate decision shall rest with the Superintendent of Schools or his/her designee.
